Early had to go into his mind, in the way he had learned from Gelluk long ago, when Gelluk was a true master of his art. He found out what he could. Then the boy was no good for anything and had to be disposed of. It was humiliating, again, to be outwitted by the very stupidity of these people; and all he had learned about Roke was that the Hand was there, and a school where they taught wizardry. And he had learned a man's name..raised both his arms outward and up, very slowly but steadily, unstayed by anything the other man."I haven't practiced ever since I left, Darkrose," he said. "But the music was always in my head, and you..." She reached out her hands to him. They knelt facing, the willow-leaves moving across their hair. They kissed each other, timidly at first.."How long ago, did you say? A hundred and twenty years?".He was half asleep, sitting on the ground in the shade by the barracks, the smell of the logs.he saw it, the trembling of the surface all over the pond. Each step revealed the next step he must take, but he could never see the place where he was. He did not know what was coming next, and did not understand what he saw. But he saw it, and went forward, word by word..which rotated slowly, like a record. It was not supported by anything, did

not even have an axis."How can we get free?".After a bit Otter nodded left, away from the grey stone tower. They walked on towards a long,a viol. "Sleeping in the sunshine, like one whose work has been well done. So you've sent them."I don't think it's true. I think all the true powers, all the old powers, at root are one."."Everything's perilous," Dragonfly said, gazing now through the sheep, the hill, the trees, into still depths, a colorless, vast emptiness like the clear sky before sunrise.."Breathe, breathe, breathe," Gelluk said, laughing, and Otter tried not to hold his breath as they entered the tower..Berry ducked his head and muttered. His eyes were dull. It seemed to Irith that the man had been poisoned. When Berry went out again, the woman came closer and said, resolute, in a low voice, "There's no harm in him but the drink, but there's not much left of him but the drink. It's eaten up most of his mind, and most of what we have. So, do you see, put up your money where he won't see it, if you don't mind, sir. He won't come looking for it. But if he saw it, he'd take it. He often doesn't know what he's doing, do you see?".about dragons. The wizard Hemlock, who had known his great-uncle the Mage, came up from South Port to name him. And Hemlock was invited to his nameday party the year after, a big party, beer and food for all, and new clothes, a shirt or skirt or shift for every child, which was an old custom in the West of Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all the boys his age in town and all the girls too. The young people danced, and some of them had a bit too much beer, but nobody misbehaved very badly, and it was a merry and memorable night. The next morning Golden told his son again that he must think about being a man..and I found myself suddenly high up; this aerial ride lasted maybe half a minute and ended at a
