Between 1992 and 2002 more than six hundred improvements and supplements to the Ozo were recorded. The most important of these. I picked up Janice at her apartment in Westwood early Saturday morning. She was waiting for me and came striding out to the car all tugs and healthy golden flesh. She was wearing white shorts, sneakers, and that damned Dallas Cowboys jersey. It was authentic. The name and number on it were quite well-known? even to non-football fans. She wouldn't tell me how she got it, just smirked and looked smug. She tossed her suitcase in the back seat and slid up against me. She smelled like sunshine. You are watching an old movie, Bob and Ted and Carol and Alice. The humor seems infantile and unimaginative to you; you are not interested in the actresses' occasional seminudity. What strikes you as hilarious is the coyness, the sidelong glances, smiles, grimaces hinting at things that will never be shown on the screen. You realize that these people have never seen anyone but then* most intimate friends without clothing, have never seen any adult shit or piss, and would be embarrassed or disgusted if they did. Why did children say "pee-pee" and "poo-poo," and then giggle? You have read scholarly books about taboos on "bodily functions," but why was shitting worse than sneezing? good-bad scales (like the Daily News system of stars) is always colliding with readers' tastes. Some. "Where would that have come from?" Lang had asked. Nolan followed her gaze. "No one out there." He moved to the window, peered at the clearing beyond. "Not a soul." He gave me a knowing look. What spell had brought them there, deep in the wood, neither could recall. The woods, the meadow. "He does not seek you," Hinda replied. Bless you, what makes you think I know? (See, there goes Byline.) Actually, critics can make educated guesses from time to time about the tastes of some groups of readers. Editors must, such judgments being their bread and butter? and look how often they fail. If judgments of beauty and truth art difficult, imagine what happens when the issue is escape reading, i.e., something as idiosyncratic as guided daydreams. Perhaps the popularity of series novels is due in part to readers* desire for a reliable, easily reproducible pleasure. But the simplest good-bad scales (like the Daily News system of stars) is always colliding with readers' tastes. Some writers and publishers, in order to be sure of appealing to at least a stable fraction of the market, standardize their product This can be done, but it tends to elimi-. "A what?"
