"And the answer is: if it is worth my while," said Amos, who really could think very quickly..who still had a chance. She knew it now, but didn't like it any better than she had liked it then.."How do you know?".As a lover of variations on a theme, though, Fm usually intrigued when a producer decides to use exactly the same property that has been made into a movie before. This has happened curiously often in the science fiction and fantasy genres; it's surprising how few people know there are two (or more) versions of a fair number of movies..INTENSITY FIVE.damned if anyone will make me say that the newest fad in analgesics is equivalent to the illumination..She said it hopefully, but without real expectation. Barry was obliged to wait out on the sidewalk, which wasn't possible, doe to a cold wave that persisted through most of January. He left a message at the Apollo Theater, where the pageant was held, giving three different times he would be waiting for her at Intensity Five. She never showed. By mid-February, he'd begun to be alarmed. Early one morning, defying the weather, he posted himself outside her building and waited (five miserable hours) till she appeared. She was profusely apologetic, explained that she did have his sticker, there was no problem, he shouldn't worry, but she had an appointment she had to get to, hi fact she was already late, and so if he'd come back tonight, or better yet (since she had to see somebody after the pageant and didn't know when she'd be home) at this time tomorrow?
